

DOMAIN ROAD *vineyard*

Sauvignon Blanc 2019

Domain Road has two vineyards in the heart of the historic gold mining area of Bannockburn. Domain Road Vineyard covers most of a small valley on the upper terraces above the Kawarau River with Defiance Vineyard on a gently sloping, north facing site on Felton Road. The unique terroir with unusual soils and distinctive micro-climate make this old gold mining area ideal for producing premium cool climate wines.

Sauvignon Blanc vines are planted in three locations, on Templar's Hill, untouched by the 19th Century gold miners, on Doctor's Flat, where mining has exposed rich mineral clays atop an ancient lake bed and on a corner of Defiance vineyard that has predominantly clay based soils.

The Wine

The grapes were hand harvested between 2nd and 12th April 2019 from Domain Road and Defiance vineyards. A portion of the fruit was whole bunch pressed and the rest was destemmed and crushed to press. The resulting pressed juice was cold settled for two days before racking and inoculating with selected yeast. Fermentation took place in stainless steel tanks (81%) with the balance (19%) undergoing barrel fermentation in French oak barriques (one new barrel). The barrel portion was lees stirred weekly to give the wine volume, roundness and complexity.

The colour of pale straw our Sauvignon Blanc is dry in style, complex and mouth filling. Very aromatic with tropical melon, apricot, nectarine, honeysuckle, ripe gooseberry and elderflower on the nose. Rich and concentrated on the palate, with flavours of pineapple, stonefruit and grapefruit. Finely textured with a refreshing acidity and an appealing length.
